THE MAPLE ACADEMY OF IRISH DANCE
SCHOOL GUIDELINES 2011-2012
(Revised 7/272011)

Attire

Students should wear a T-Shirt and shorts (no pants). It is preferred that knees be visible and that white socks and Irish dancing shoes be worn. Black ballet slippers for girls and Capezio jazz shoes for boys are acceptable until Irish dance shoes can be purchased. It is required that shoes be tied in a double knot. The teacher and the teacher's aides should not need to spend valuable time tying shoes. Hair must be secured neatly off the face. Please bring a water bottle to class.

Note: Adults may wear sneakers or jazz warm-up shoes if they feel more comfortable in them.

Student Rules and Regulations

Department

The students of the Maple Academy of Irish Dance represent not only the school, but the Irish dancing tradition as well. Dancers are therefore expected to be courteous, respectful, and well-behaved at all times.

Entering and Exiting

Students should enter the dance room as soon as the previous class is finished, wearing the proper attire and shoes for that class.

Gum

Students are asked not to chew gum during classes, rehearsals and performances.

Drop Off and Pick-Up

Students over the age of ten may be dropped off in front of or outside of their class. Younger students must be escorted to and from their ride by an adult.

Punctuality

Students should be prepared to enter the dance room in the correct attire, at the start of class time. Tardiness holds the entire class behind.

Cancellation Policy /Inclement Weather Closings

The Maple Academy of Irish Dance follows the local school system for inclement weather closings.

Make-Up Classes

Make ups are available for missed classes. Make up classes can be attended within the school year only. This is between September and the last scheduled class in June. Make ups can not be applied to the next dance year or any extra classes after the end of the year or in the summer.

All make up classes need to be confirmed by e-mail with us in advance.

Observation

Parents are invited to observe the last five minutes of a class. Please wait until the teacher or aide opens the door for you to enter. Both parents and dancers agree to respect the instructional atmosphere during class times. Parents are not to interfere with the instruction time by talking to their dancer or the instructor during lessons. Likewise, the dancer agrees to focus their attention on the instructors and the activities of the class. Non-dancers who accompany our students must be respectful of the property of the hall we rent for class.

Communication

Communication for the Maple School is through our web site and e-mail. We also have a class parent representative. At the beginning of the year there is a school picnic for families and a new parent social.

Practice time

In order for students to learn and advance with the material covered in class, some time outside of class must be spent practicing each week. We recommend at least 15 minutes per day for new beginners.

Registration forms must be completed and turned in with tuition payment prior to the start of classes. If this is not turned in, students will not be permitted to attend.
